Welcome to RJN Care Solutions

Your care ,our commitment

WHO WE ARE?

We're a family-led service with decades of experience in mental health and learning disability care. RJN Care Solutions was born from personal journeys and professional expertise—designed to offer care that's not just safe, but human. We understand how difficult it may be to get the right support .

We are here to make support feel simple, empowering, and tailored to you.

Our Services Include

Community Support

Help with daily routines, accessing services, and staying connected to your community.

Mental Health & Wellbeing

Support to manage emotions, build resilience, and feel heard.

Communication & Independence

Tools and strategies to help you express yourself and live more independently.

Family & Carer Collaboration

We work with your loved ones to make sure your care feels right for everyone involved.

Empowerment & Training

Workshops and resources to help you understand your rights, build confidence, and make informed choices.

What we do

We offer flexible, individual support for people with:

- Learning disabilities
- Mental health needs including mild moderate and severe diagnosis
- Neurodiverse conditions
- Older Adults
- Cognitive Behavioural Therapy

Funding
